## MANAGEMENT'S DISCUSSION AND ANALYSIS

### 1. Industry Overview:

The business of the Company is that of a Non Banking Finance Company.

Non Banking Financial Companies (NBFCs) have become an integral part India's financial system. In recent times, NBFC's have emerged as lenders to both companies and individuals. When it comes to lending, NBFCs are generally regarded to be complementary to banks and are often able to offer better services and products to their customers. NBFCs play a crucial role in broadening access to financial services, enhancing competition and diversification of the financial sector. Banks and NBFCs compete for similar kinds of business. In spite of strong competition faced by the NBFCs, the inner strength of NBFCs viz. local knowledge, credit appraisal skill, well trained collection machinery, close monitoring of borrowers and personalized attention to each client, are catering to the needs of small and medium enterprises.

## ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

**Report on the Internal Financial Controls under Clause(i) of sub-section 3 of Section 143 of the Companies Act, 2013("the Act") as referred to in paragraph 5(ii)(f) of the independent Auditor's Report of even date to the members of the Polytex India Limited on the standalone financial statements for the year ended 31st March,2016.**

We have audited the internal financial controls over financial reporting of Polytex India Limited ("the Company") as of 31st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the

company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2016

### 1.2 Use of Estimate

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

### 1.3 Revenue Recognition

The Company follows the Prudential Norms for Assets Classification, Income Recognition, Accounting

Standards and provisioning for Bad and Doubtful debts as prescribed by the Reserve Bank of India for Non Banking Financial Companies. Since the Company is an NBFC its main income is Interest on Loans. The income is accounted on accrual basis.

### 1.4 Provisions and Contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each

Balance Sheet date and adjusted to reflect the current best estimates.

### 1.5 Fixed Assets

Fixed Assets are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use

### 1.6 Depreciation

Depreciation has been provided on Straight Line Method (SLM) at the rates and in the manner prescribed in Part C of Schedule II of the Companies Act, 2013 on pro-rata basis from the date assets have been put to use. Intangible Assets are amortised on Straight Line basis over the useful lives of the assets not exceeding 10 years

### 1.7 Inventory

The company has nil inventory

### 1.8 Employee Benefits

The Statutory enactments relating to payment of Provident Fund, ESIC and Gratuity to employees are not applicable to the company. The company does not have any scheme for retirement benefits for its employee and as such no provision towards retirement benefits to employees is considered necessary.

### 1.9 Borrowing Cost

The Company does not have any borrowings, and therefore, this clause is not applicable.

### 1.10 Taxes on Income

The tax effect of the timing differences that result between taxable income and accounting income and are capable of reversal in one or more subsequent period are recognized as deferred tax assets or deferred tax liability. They are measured using the substantively enacted tax rates and tax regulations. Deferred tax assets are recognized only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred assets can be realized. Deferred tax assets are recognized on carried forward of unabsorbed

depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

#### 1.11 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations.

#### 1.12 Cash Flow Statements

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of

non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 1.13 Earning Per Share
